Education

SPPU UNIVERSITY

BE, CSE

📅 2020 - Present 📍 Pune

Cum. GPA : 9.02/10

SGBAU UNIVERSITY

HSC

📅 2018 - 2020 📍 Akola

Percentage : 94%

Experience

SDE INTERN

PUBMATIC INC.

📅 Jan 2024 - Present

📍 Pune

- Collaborated as a software development intern in on Demand Side Platform (**DSP**) of PubMatic's Product "**Activate**". Developed the service "**SMT**" as per the client's requirements.
- **Techstack** : Golang, Microservices, Aerospike, Kafka, Docker, Prometheus, K8S

Skills

PROGRAMMING

- C++ • Golang
- Python • PHP • SQL

MISCELLANEOUS

- HTML • CSS • Bootstrap
- JS (Ajax) • Django • DRF
- Flutter • Git

Affiliations

PICT IEEE

TECHNICAL HEAD

PICT CSI

SR APP TEAM MENTOR

Coursework

UNDERGRADUATE

Object Oriented Programming
Database Management Systems
Operating Systems
Computer Networks
Data Structures & Algorithms

ADDITIONAL

Full Stack Web Development
App development in Flutter

Projects

🔗 REVERSE CODING

- Designed and Developed an interactive interface for realtime coding challenges, evaluating analytical and problem-solving proficiencies among participants.
- Introduced features such as lifelines and riddles, encouraging innovation and delivering an enriched user experience.
- Received positive feedback and observed quantifiable improvements in participants' coding skills, contributing to the event's overall success.
- **TechStack** : HTML, CSS, JS (Ajax), Django, Sqlite3

🔗 LEARN HUB

- Developed an online platform for the organization "CSI," enabling technical specialist instructors to share notes, course content, and resources within Special Interest Groups (SIGs).
- Secured 1st Position in Sudocode Hackathon held at the intercollege level by Team PICT x VIIT.
- **TechStack** : HTML, CSS, JS, Django, PostgreSQL

🔗 HEALTH-LINK

- Created a web-based tool for remote doctor-patient consultations and medications, successfully solving pandemic concerns.
- An intuitive interface for patients to share medical histories and concerns, enabling accurate diagnoses and personalized treatments for doctors.
- **TechStack** : HTML, CSS (Bootstrap), JS, Django, MySQL

Achievements

- **Winner - SudoCode Hackathon'22**
- **Runner Up - Devheat Hackathon** organised by IIIT Surat
- Created an online coding quiz platform "**Reverse Coding**" played by more than **250+** students in "**Credenz**", Annual Techfest.
- Led **Technical Team** for our annual event "Credenz".
- Leading App Team of nearly 25 students of PCSB club.
- Secured **Rank 340** at state level in MHTCET 2020.
